Notice is hereby given that sealed bids will be received either electronically at the same address published in the original Notice or in the office of the Purchasing Division at the Lafayette Consolidated Government Building, located at 705 West University Avenue, Lafayette, Louisiana, until 2:00 p.m. Central Time on the 4th day of August 2015 for the following:

and will, shortly thereafter, be opened and read aloud in the Council Briefing Room located at 705 West University Avenue, Lafayette, LA.

Item No. 2 **Revised Bid Bond:** **DELETE** SECTION VI – BID OR PROPOSAL BOND and **SUBSTITUTE** the attached revised BID BOND form.

Item No. 3 **General Information on fencing:** As a point of clarification, the Contractor is hereby made aware of the fact that the Owner (LCG) will have installed a portion of the perimeter fence (similar to that shown on the drawings and noted to be “*BY OTHERS, NOT IN THIS CONTRACT*”) prior to the Contractor commencing work on this project. Contractor must preserve and protect said fence as it exists at the time of his construction work. The part of the fence along Surrey St. will not be installed initially, therefore if Contractor requires temporary construction fencing to supplement the installed fencing or for any modifications required to the existing fencing at the time of construction, such fencing must be included in Contractor’s bid. If any fencing must be removed for construction or access for

contractor's equipment, contractor shall remove fencing as required for his work and reinstall equal to existing condition at the time his contract commenced. All costs associated with this accommodation of the Owner's fencing shall be included in the Contractor's lump sum bid.

Note: Bidders must acknowledge receipt of the addenda in the space provided on the bid form.
